Chairmans Report

Main Club

There are still vacancies to be filled on the main committee and sculling members are encouraged to indicate interest

Vacancies are; Membership secretary (whole club), Maintenance Lead, Training Lead

Boat update

It is proposed to try and sell Flo (Torquay) and if no interest, she will be harvested for parts.

Premises Update

Coombe Cellars agreement is still not completed, but this is in hand and just waiting for finalisation and signing.

Polly Steps. Waiting for Teignbridge Council to do their bit on this. Once agreed, all boats at Gales Hill, Station Yard and Longmeadow Farm will be moved to Polly Steps. This will reduce rents and centralise all boats

Three year Club Plan update

Rachel Palmer summarised the areas that are under consideration and reminded everyone that this has been circulated and we have achieved more or less everything for the first year.

New Boat Names

A show of hands was held and the following names were decided upon;

Regalo (Red boat)

Teignacious (Blue boat)

Members Survey

28 responses out of 73 members

Rachel Palmer presented the results. Because the survey was anonymous, **Rachel needs to know who the people are who indicated interest in bringing on new rowers and the person who would like to help with IT and website. Could whoever these people are, please make themselves known to Rachel or any other committee member.**

AOB

Zane said it had been a wonderful 5 years whilst he has been chair. He was thanked by those present for his leadership and presented with some gifts as tokens of appreciation.

The meeting closed at 1945
